

In the Claims:

Claims 1 to 14 stand of record in the case.

Claims 1 to 14 stand rejected.

Explanation of Amendments in the Claims:

1.(original) A lottery ticket construction for playing by a player comprising:

a substrate;

game information printed on the substrate;

game data printed on the substrate;

some or all of the game data being covered by a removable covering which can be removed by the player to expose the covered data for playing the game;

a battery formed on the substrate;

conductive paths formed on the substrate for conducting electric power from the battery;

at least one powered element formed on the substrate;

and a switch formed on the substrate and responsive to an action on the substrate by the player for conducting power from the battery to the at least one powered element.

2.(original) The lottery ticket according to Claim 1 wherein the battery is printed on the substrate.

3.(original) The lottery ticket according to Claim 1 wherein the conductive paths are printed on the substrate.

4.(original) The lottery ticket according to Claim 1 wherein the battery and the paths are on the front face of the substrate.

5.(original) The lottery ticket according to Claim 1 wherein the lottery ticket is a break-open ticket.

6.(original) The lottery ticket according to Claim 1 wherein the lottery ticket includes a scratch-off layer.

7.(original) The lottery ticket according to Claim 6 wherein the switch is arranged to be responsive to scratching of the scratch-off coating.

8.(original) The lottery ticket according to Claim 7 wherein the scratch-off coating is formed of conductive material and the switch is responsive to changes of conductivity.

9.(original) The lottery ticket according to Claim 6 wherein the scratch-off coating covers game data.

(currently amended) 44 10. The lottery ticket according to Claim 1 wherein the powered element generates sound.

(currently amended) 42 11. The lottery ticket according to Claim 1 wherein the powered element generates lights.

(currently amended) 43 12. The lottery ticket according to Claim 1 wherein the powered element generates sound and lights.

(currently amended) 44 13. The lottery ticket according to Claim 1 wherein the powered element generates a change in color of ink printed on the substrate.

(currently amended) 45 14. The lottery ticket according to

4

Claim 1 wherein the lottery ticket includes a row of scratch-off areas and a row of powered elements and wherein each powered element is powered in turn as a respective one of the scratch-off areas is scratched by the player.
